Lovejoy Elementary PTO

Total Membership – 196

Total Fundraising $19,600 as of 4/27/21

During our summer months our PTO was hard at work dissolving Lovejoy PTA and starting the new Lovejoy Elementary School PTO. Many updates and much hard work was completed during this process. A new website w as built and our directory and membership went digital. Special thanks to all who worked so diligently to get this board and new platform up and running! Due to Covid restrictions, all executive board meetings and general member meetings were held via Zoom this year and were advertised digitally in both the Principal email blast and monthly PTO newsletters. Due to the 4.25.21 LISD School Board vote to repurpose LES for the 2021-2022 school year, the Rules & Bylaws committee did not meet to amend and/or update current rules and bylaws.

Below is a list of the accomplishments made throughout this (somewhat) unusual school year!

September 2020
